Re: Administrative Amendment No. 097-19706-05238 to SSOA Permit No. S097-18033-05238

Dear Mr. Martin:

Walsh Construction Company was issued a Source Specific Operating Agreement (SSOA) on August 26, 2003 for a portable heavy highway construction company with a Standard Industrial Classification (SIC) code of 1611. An application was received on July 12, 2004 requesting that the contact person and the authorized individual be changed from Jason Raplee to Matt Martin. The Indianapolis Office of Environmental Services (OES) has revised the SSOA Annual Notification to reflect this change. Walsh Construction Company also notified OES that they are relocating equipment within their source. All conditions of the permit shall remain unchanged and in effect. Please find attached a copy of the revised SSOA Annual Notification.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Angelique Oligier, at (317) 327-2846.

Sincerely,

John B. Chavez
Administrator
