Re: 097-19716-00041  
Revocation of Title V Operating  
Permit No. 097-7884-00041

Dear Mr. Johns:

The letter from Wishard Memorial Hospital, received on July 12, 2004, has been reviewed. This letter requested that Title V Operating Permit No. 097-7884-00041, issued for a general medical and surgical hospital located 1001 West 10th Street, Indianapolis, IN 46202, be revoked. The reason for this revocation request is that the source has requested to transition from a Part 70 Operating Permit to a Minor Source Operating Permit (MSOP).

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Pursuant to 326 IAC 2-6.1 the source has been issued a MSOP (097-19714-00041), and the source is no longer required to have a Part 70 Operating Permit.

The Part 70 Operating Permit 097-7884-00041, issued on May 19, 2000, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective from the date of this letter.

If there are any questions about this revocation, please contact Warner Waters at (317) 327-2182 or call (317) 327-2234.

Sincerely,

Felicia A. Robinson  
Manager of Environmental Planning
