Re: **039-20133-00537**
First Notice Only Change to
Registration No. 039-12076-00537

Dear Mr. Schmidt:

Schmidt Furniture & Music, LLC was issued a Registration on June 15, 2000, for a wood furniture manufacturing operation. An application was received April 19, 2004, requesting that the emission statement condition be removed from the permit due to the revisions to 326 IAC 2-6 (Emission Reporting) which became effective on March 27, 2004. The Permittee is no longer required to submit an emission statement; therefore, the emission statement condition will be removed from the permit. Pursuant to the provisions of 326 IAC 2-5.5-6(d) the permit is hereby administratively amended as follows:

The emission reporting condition has been removed from the registration:

~~326 IAC 2-6 (Emission Reporting)~~

~~This source is subject to 326 IAC 2-6 (Emission Reporting), because it has the potential to emit more than ten (10) tons per year of VOC. Pursuant to this rule, the owner/operator of the source must annually submit an emission statement for the source. The annual statement must be received by April 15 of each year and contain the minimum requirement as specified in 326 IAC 2-6-4. The submittal should cover the period defined in 326 IAC 2-6-2(8)(Emission Statement Operating Year).~~

As of January 1, 2001, the name of the Office of Air Management (OAM) has been changed to the Office of Air Quality (OAQ).

All other conditions of the permit shall remain unchanged and in effect. The revised registration is attached.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Janet Mobley at 317-232-8369 or at 1-800-451-6027 extension 2-8369.
