Re: 157-20463-05062
First Administrative Amendment to
FESOP 157-14106-05062

Dear Mr. Beyke:

Milestone Contractors, L.P. was issued a FESOP renewal permit on February 25, 2002 for a stationary drum mix asphalt pavement production plant located at 2903 State Road 25 North, Lafayette, Indiana 47905. A letter requesting a change to the permit was received on January 20, 2005. The source plans to add one (1) additional 300 ton hot mix storage silo of the same type and capacity as the existing permitted silos. The new unit will comply with the same applicable requirements and permit terms and conditions as the existing permitted units, but will not cause the source's potential to emit to be greater than the threshold levels specified in 326 IAC 2-2 or 326 IAC 2-3. The new unit will be added to permit Section A.3, Insignificant Activities, since the potential uncontrolled emissions from this unit meet the exemption levels specified 326 IAC 2-1.1-3(e)(1) or 326 IAC 2-7-1(21)(A), whichever is lower. The addition of this new unit is considered a change by administrative amendment pursuant to 326 IAC 2-8-10(a)(14). Pursuant to the provisions of 326 IAC 2-8-10, Section A.3 of the permit is hereby administratively amended as follows with deleted language as ~~strikeouts~~ and new language **bolded**:

A.3 Insignificant Activities [326 IAC 2-7-1(21)] [326 IAC 2-8-3(c)(3)(I)]

This stationary source also includes the following insignificant activities, as defined in 326 IAC 2-7-1(21):

- (g) ~~three~~**four (34)** hot mix asphalt cement storage silos, each with a maximum storage capacity of 300 tons;

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Nathan Bell, at (800) 451-6027, press 0 and ask for Nathan Bell or extension (4-3350), or dial (317) 234-3350.
