First Notice-only change to
Minor Source Operating Permit
MSOP No.: 097-16885-00312

Dear Mr. Pobanz,

Central Corrugated, located at 5645 West 82nd Street, Indianapolis, Indiana 46278 was issued a Minor Source Operating Permit on April 3, 2003 for a stationary corrugated paper and paperboard products manufacturing plant. A letter requesting an extension to the 18-month commencement of construction deadline was received on February 8, 2004. Pursuant to the provisions of 326 IAC 2-6.1-6(d), Notice-only change will be issued, as no new applicable rules or requirements to the permitted emission units will result or violate existing requirements.

General Construction Condition B.4 of the Minor Source Operating Permit No.:097-16885-00312 states that the permit to construct may be revoked if construction is not commenced within eighteen (18) months after April 3, 2003 (approval date) or if construction is suspended for a continuous period of one (1) year or more.

Therefore, the commencement of construction date in Construction Condition B.4 shall be extended to another 18 months or to April 3, 2006.

No other condition in the permit shall be affected by this change. Please attach a copy of this Notice-only change letter to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Monica Doyle at (317) 327-2846.

Sincerely,
