On February 11, 2005 during a quality control check it was noted the reporting year was entered incorrectly. This amendment is to record the correct date. Pursuant to the provisions of 326 IAC 2-7-11(a)(7), the permit is hereby administratively amended as follows:

The emission statement does require the certification by the "responsible official" as defined by 326 IAC 2-7-1(34).
