Re: R 097-20953-00349  
Revocation of SSOA 097-10763-00349

Dear Mr. Ray:

The letter from Associated Environmental Management, received on March 11, 2005, has been reviewed. This letter requested that Source Specific Operating Agreement (SSOA) No. 097-10763-00349, issued for Earl Scheib of Indiana consisting of automobile refinishing operations located at 7201 E. Washington, Indianapolis, IN, be revoked. The reason for this revocation request is that the facility is no longer in operation since October 2004, this was confirmed by the City of Indianapolis Office of Environmental Services Compliance Section.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the SSOA is no longer required.

The Source Specific Operating Agreement S 097-10763-00349, issued on April 12, 1999 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Warner Waters at (317) 327-2182 or call (317) 327-2234.

Sincerely,

Felicia A. Robinson  
Manager of Environmental Planning
