Re: 097-21090 Revocation of MSOP Renewal No. 097-19374-00179

Dear Mr. Hughes:

Commercial Finishing Corporation was issued a Minor Source Operating Permit Renewal (MSOP) No. 097-19374-00179 on March 29, 2005. Upon further review of the permit it has been determined that MSOP Renewal No. 097-19374-00179 will be revoked and replaced with MSOP Renewal No. 097-21094-00179. The reason for this revocation request is changes were made to the Annual Notification requirements of the permit as per the request of the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source has been issued a new permit, the Minor Source Operating Permit Renewal No. 097-19374-00179 is no longer required.

The Minor Source Operating Permit Renewal No. 097-19374-00179, issued on March 29, 2005 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective December 12, 2005.

If there are any questions about this revocation, please contact TJ Edwards at (317) 327-2283.

Sincerely,
