Re: 097-21199-00522
Revocation of SSOA
SSOA No. S 097-18711-00522

Dear Mr. Morrow:

The letter from Aero Industries, Inc., received on April 18, 2005, has been reviewed. This letter requested that SSOA # S 097-18711-00522, issued for Aero Industries, Inc., located at 3010 West Morris Street, Indianapolis, IN 46221, be revoked. The reason for this revocation request is that the facility is no longer in operation at 3010 West Morris Street as of November 1, 2004. Aero Industries, Inc. has moved to a new location and no longer performs paint operations. An inspection of the new facility was performed by the Office of Environmental Services on April 6, 2005, upon which the inspector confirmed that painting operation is no longer performed.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the SSOA is no longer required.

The SSOA Permit #S 097-18711-00522, issued on April 1, 2004, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Monica Doyle at (317) 327-2846, or call (317) 327-2234.

Sincerely,
