Re: 097-21309-00195 Revocation of Source Specific Operating
Agreement (SSOA) No.: S 097-10108-00195

Dear Mr. Durst:

The revocation request received on April 5, 2005 from Indiana School for the Blind, "source", located at 7725 North College Avenue, Indianapolis, Indiana 46240, has been reviewed in regards to the SSOA No. S 097-10108-00195.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the IDEM Commissioner may be revoked for any cause that establishes in the judgement of the Commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source has incorporated the emergency generator with the other air emission units --i.e. boilers and hot water heaters present on site under a Permit By Rule numbered PBR 097-20960-00195, a SSOA is no longer required.

Therefore, the SSOA S097-10108-00195, issued on November 10, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Carmen Bugay of my staff via e-mail at cbugay@indygov.org or phone at (317) 327-2512.

Sincerely,
