Re: 039-21641
Revocation of SSM 039-19497-00498 to
Part 70 No.: 039-15364-00498

Dear Mr. Winchester:

The letter from Venture Technologies, L.L.C., received on August 5, 2005, has been reviewed. This letter requested the Significant Source Modification No.: 039-19497-00498 to Part 70 Operating Permit No.: 039-15364-00498, issued for Venture Technologies, L.L.C. located at 2501 Jeanwood Drive, Elkhart, Indiana 46514, be revoked. The reason for this revocation request is that Venture Technologies, L.L.C. has determined that the installation of additional facilities and equipment for the custom spray painting of trailer frames will not be required.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the modification will not be constructed, the Significant Source Modification is no longer required

The Significant Source Modification No.: 039-19497-00498, issued on December 20, 2004, to Part 70 Operating Permit No.: 039-15364-00498, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Jenny Acker at (317) 232-8253 or call (800) 451-6027, and ask for Jenny Acker or extension 2-8253.

Sincerely,
