Re: 097-21858 Revocation of
SSOA No. 097-6364-00244

Dear Mr. Lugar:

The letter from Thomas L. Green & Company, Inc., received on May 01, 2002, has been reviewed. This letter requested that Source Specific Operating Agreement (SSOA) No. 097-6364-00244, issued for a lower tier surface coating operation located at 202 N. Miley Avenue, Indianapolis, IN 46222, be revoked. The reason for this revocation request is that the facility is no longer in operation as of July 31, 2001.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the SSOA is no longer required.

The SSOA No. 097-6364-00244, issued on November 20, 1996 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact TJ Edwards at (317) 327-2283.

Sincerely,

Felicia A. Robinson
Manager of Environmental Planning
