Re: 143-21875-00006
Revocation of SSOA 143-7152-00006

Dear Mr. Gable:

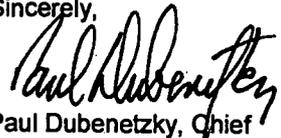

The letter from Jay Packaging Group, Inc., received on October 3, 2005, has been reviewed. This letter requested that Source Specific Operating Agreement (SSOA) No. 143-7152-00006, issued for the Jay Packaging Group, Inc. source located at 2162 S Highway 31, Scottsburg, IN 47170, be revoked. The reason for this revocation request is that the source will no longer be performing printing or surface coating activities. Based on information provided by the source by phone on October 18, 2005, the source now meets the criteria for an exemption under 326 IAC 2-1.1-3.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any other cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is exempt from the registration and permitting requirements of 326 IAC 2, the SSOA is no longer required.

The SSOA No. 143-7152-00006, issued on December 4, 1996, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Nathan Bell at (317) 234-3350 or call (800) 451-6027 and ask for extension 4-3350.

Sincerely,

Paul Dubenetzky, Chief
Permits Branch
Office of Air Quality
