**S 097-06540-00288**

Mr. Pflum:

On January 17, 2006 the Indianapolis Office of Environmental Services (OES) received a request from Spurlino Materials of Indianapolis, LLC., to transfer ownership of American Concrete Company located 2605 Kentucky Avenue Indianapolis, Indiana 46221, to Spurlino Materials of Indianapolis, LLC at the same location. The SSOA permit for a ready-mix concrete batch operation was issued on November 21, 1996.

This administrative amendment acknowledges the transfer of the above mentioned Source Specific Operating Agreement (SSOA) from American Concrete Company, Inc., to Spurlino Materials of Indianapolis, LLC at the same location.

Pursuant to the provisions of 326 IAC 2-9 the permit is hereby administratively amended. All other conditions of the permit shall remain unchanged and in effect. Please find a copy of the entire SSOA permit with the revisions.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Warner Waters at 317-327-2182.

Sincerely,
