Dear Mr. Bloomer:

The letter from Praxair Distribution Inc, received on May 20, 2005, has been reviewed. This letter requested that SSOA No. 097-5131-00189, issued for the abrasive cleaning operation Model LS B-H-SC-20 cylinder shot blaster located 1400 Polco Street, Indianapolis, IN 46224, be revoked. The reason for this revocation request is that the abrasive cleaning operation was removed from service in 2004. This was verified by an inspection conducted by the Office of Environmental Services (OES) on June 17, 2005.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the equipment is no longer in operation, the SSOA is no longer required.

The SSOA No. 097-5131-00189, issued on October 28, 1999, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Anh-tuan Nguyen at (317) 327-2353 or call (317) 327-2234.

Sincerely,
