Re: 097-22869-00394, Revocation
of Registration, 097-12613-00394.

Dear Mr. Litmer:

The applications received on February 28, 2006 and November 1, 2005, have been reviewed. This correspondence requested that the Registration No. 097-12613-00394, issued to Wood-Mizer, located at 8180 West 10th Street, Indianapolis, Indiana 46214, be revoked. The source has requested to transition from a Registration, to a Source Specific Operating Agreement (SSOA), S097-21979-00394, due to the removal and addition of emission units, resulting in a reduction of overall air emissions.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked for any cause that establishes in the judgement of the Commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Pursuant to 326 IAC 2-9-1 (General Requirements), 2-9-13 (External Combustion) 2-9-14 (Internal Combustion), and 2-9-4 (Woodworking), the source has agreed and is being issued a SSOA for their air emission units. Furthermore, the source is no longer required to retain a Registration.

Therefore, Registration No. 097-12613-00394, issued on May 16, 2003, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Carmen Bugay of my staff via e-mail: cbugay@indygov.org, or phone at (317) 327-2512.

Sincerely,
