Dear Mr. Davidson:

Approval is hereby granted to operate the portable ready-mix concrete batch plant, described in Source Specific Operating Approval (SSOA) S 081-18017-05237 issued on September 8, 2003. This source is to be located at 602 W. Ray Street, Indianapolis, Marion County, Indiana. This plant was previously permitted to relocate to 230 W. McCarty Street, Indianapolis, Marion County, Indiana, but did not move to that location. The site approval for 230 W. McCarty Street, Indianapolis, Marion County, Indiana, was issued on March 16, 2006.

Relocation of this plant must take place within 120 days after the issuance of this decision. The enclosed Notice of Decision explains your options to challenge this decision under IC 4-21.5-3-5(f). Pursuant to IC 4-21.5-3-5(f), this approval is not effective until eighteen (18) days from the date of this letter. This approval supersedes all previous site approval letters.

Advance written notice to the Office of Air Quality (OAQ), Air Compliance Section and Indianapolis Office of Environmental Services of start-up is required in order for the OAQ to perform an inspection. If the plant is not operating in compliance with all applicable regulations upon inspection, the plant must cease operation upon notification to you by OAQ staff of such non-compliance. Operations may only resume once remedial actions have been taken and approved by the OAQ.

If you have any questions concerning this relocation site approval, please contact Janet Mobley of my staff at 317-232-8369 or at 1-800-451-6027 extension 2-8369.
