Re: **039-23063-00276**
Revocation of PBR
039-16143-00276

Dear Mr. Shah:

On September 12, 2005, Custom Wood Products, Inc. purchased the assets of Custom Woodcraft, Inc., located at 53972 North Park Avenue, Elkhart, Indiana. On October 14, 2005, the Office of Air Quality (OAQ) received a request to transfer the ownership and change the name of Custom Woodcraft, Inc., to Custom Wood Products, Inc. Custom Woodcraft, Inc., had been issued a Source Specific Operating Agreement (SSOA) on September 10, 1999, and a Permit By Rule (PBR) on August 9, 2002.

However on October 26, 2005, the OAQ was made aware that Custom Wood Products, moved the recently purchased woodworking operation to 711 E. Waterford Street, Wakarusa, Indiana. This location already had an existing SSOA (039-16143-00276).

A letter was received on May 5, 2006, requesting a revocation of the PBR. Since the PBR is issued to the operation specifically located at 53972 North Park Avenue, Elkhart, Indiana, the move eliminated the need for the above referenced Permit by Rule.

The Permit by Rule (PBR) 039-16143-00276 issued on August 9, 2002, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Any construction or modification that would result in potential to emit greater than the exemption levels, as specified in 326 IAC 2-1.1-3 (Exemptions) shall be subject to New Source Review (NSR) and must be approved by the OAQ before such construction or modification may occur.

If you have any questions regarding this revocation, please contact Janet Mobley of my staff at 317-232-8369 or at 1-800 451-6027 extension 2-8369.

Sincerely,
