Re: 113-23249-00056
Revocation of MSOP
MSOP No. 113-11696-00056

Dear Mr. Wyant:

The letter from P & J Industries, received on June 20, 2006, has been reviewed. This letter requested that MSOP No. 113-11696-00056, issued for the stationary decorative hexavalent chromium electroplating manufacturing facility located at 1494 Gerber Street, Ligonier, Indiana 46767, be revoked. The reason for this revocation request is that the facility is no longer in operation as of June 15, 2006. All equipment is removed from the building and the property is for sale.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the MSOP is no longer required.

The MSOP 113-11696-00056, issued on July 13, 2005 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of the letter.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027, extension 3-5334.

Sincerely,
