Revocation of Registration  
No. 097-15401-00422

Dear Mr. Breen:

The letter from Qwest Communications, received on April 24, 2006 with additional information submitted on June 20, 2006, has been reviewed. The source has requested that Registration No. 097-15401-00422, issued for a stationary telephone communications facility, relating to the operation of an emergency generator located at 550 Kentucky Avenue, Indianapolis, IN 46250 be revoked. The source has requested that the plant located at 550 Kentucky Avenue be combined with two other Qwest Communication plants located in the immediate area and to transition from a Registration to a Source Specific Operating Agreement (SSOA) under SSOA No. 097-23018-00421.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. IDEM, OAQ and OES have determined that the three (3) plants located at 731 West Henry Street, 550 Kentucky Avenue, and 700 Kentucky Avenue are all owned and controlled by Qwest Communications. The plants have the same two digit SIC Code, 48. The distances between the plants are as short as 120 feet to as long as 259 feet. The plants share the same management, human resources office, payroll, mail and other support functions. Therefore, the three plants are one single source. Pursuant to 326 IAC 2-9 and 326 IAC 2-5.5-1, the source has been issued an SSOA, and the source is no longer required to have a Registration.

The Registration No. 097-15401-00422, issued on February 22, 2002, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Anh-tuan Nguyen at (317) 327-2353 or call (317) 327-2234.

Sincerely,
