Re: 039-23437-00215  
Revocation of FESOP  
FESOP No. 039-14490-00215

Dear Mr. Reid:

The letter from Quality Frames, Inc. received on July 31, 2006, has been reviewed. This letter requested that FESOP Renewal No. 039-14490-00215, issued for the stationary fabrication and surface coating operation for fifth wheel and travel trailer frames located at 28620 C.R. 20 West, Elkhart, Indiana 46517, be revoked. The reason for this revocation request is because the facility has not powdercoated steel frames since 2000. The powdercoating business was sold to Lippert Components in 2002. Prior to the sale, frames were being powdercoated by ET & T Frames. The FESOP has not been required by the facility since 2000.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source no longer powdercoats, the FESOP is no longer required.

The FESOP 039-14490-00215, issued on February 20, 2002 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of the letter.

If there are any questions about this revocation, please contact Gary Freeman at (317) 233-5334 or call (800) 451-6027, extension 3-5334.

Sincerely,
