Re: 139-24075-00006
Revocation of SSOA
SSOA No.: 139-9972-00006

Dear Mr. Crago:

The letter from Valley Asphalt Corporation, received on September 14, 2006, has been reviewed. This letter requested that Source Specific Operating Agreement (SSOA) No.: 139-9972-00006, issued to the Rush County Stone Company, a crushed stone processing plant, owned and operated by Valley Asphalt Corporation, located at 5556 West SR 244, Milroy, IN 46156, be revoked. The reason for this revocation request is that IDEM has determined that the Rush County Stone Company plant and two (2) portable hot mix asphalt plants, Valley Asphalt Corporation - Portable Plants #7 and #17, are considered one source. The Rush County Stone Company will be incorporated into Federally Enforceable State Operating Permit (FESOP) No.: 139-18283-05243 through a Significant Permit Revision (No.: 139-24058-05243). As such, SSOA No.: 139-9972-00006 will no longer be necessary after issuance of the Significant Permit Revision.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the plant will be permitted under FESOP No.: 139-18283-05243 through a Significant Permit Revision, the plant is no longer required to have a SSOA.

The Source Specific Operating Agreement (SSOA) No.: 139-9972-00006, issued on August 18, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Tanya White at (973) 575-2555, ext. 3276, or dial (800) 451-6027, and ask for extension 3-6878.

Sincerely,
