Re: Emission Credit Registry Update  
Review Request No.: 089-24597-00203  
Part 70 Operating Permit  
No.: T089-7994-00203

Dear Ms. Childers:

On April 16, 2007, Cargill Incorporated, located at 1100 Indianapolis Boulevard, Hammond, Indiana submitted an application to register emission reductions in the Air Emission Credit Registry for the shutdown of the emission units 127-03-B, 127-01-B and 127-27-B of Operating Permit 089-7994-00203. According to the application, the shutdown occurred on April 9, 2007.

Administrative Amendment 089-24595-00203 issued on May 25, 2007 reduced CO emissions from this source. Based on information received on April 11, 2007, the following quantity of emission credits will be listed in the Air Emission Credit Registry:

**Summary of Registered Emission Credits and Balance**

Activity/ Pollutant	Date	Prior Balance of Emission Credits (tons per year)	Quantity of Newly Registered Emission Credits (lbs per year)	Balance of Emission Credits (lbs per year)	Balance of Emission Credits (tons per year)
CO	04/11/2007	0.00	13.61	13.61	0.01
PM10	04/11/2007	0.00	1,160.611	1,160.611	0.58
NOx	04/11/2007	0.00	16.20	16.20	0.01
SO <sub>2</sub>	04/11/2007	0.00	0.097	0.097	0.00
VOC	04/11/2007	0.00	1,897.00	1,897.00	0.95

Linda Childers will be listed as the contact person regarding the balance of emission credits.

The Air Emission Credit Registry, located at [www.emissionscredit.in.gov](http://www.emissionscredit.in.gov), will be updated to reflect registration of these reductions. Any rules or laws that become effective after the date of generation may reduce the amount of credits available for New Source Review emission offsets. Registration of these emission reductions is done to give information to others of the availability of possible emission credits. The registration of emission reductions is advisory only, and not a determination that is binding on IDEM. IDEM makes determinations regarding the use of emission credits in New Source Review permit decisions.

Questions should be directed to me at 100 North Senate Avenue, Indianapolis, Indiana, 46204-2251, or call (800) 451-6027, and ask for Walter Habeeb at extension (2-8422), or dial (317) 232-8422.
