Re: 097-24605-00584
Revocation of SSOA
Number S097-22825-00584

Dear Mr. Zoldowski:

A letter, received by the Indiana Department of Environmental Management (IDEM), Office of Air Quality (OAQ) and the City of Indianapolis, Office of Environmental Services (OES), from United Rentals, Inc., received on April 9, 2007, has been reviewed. This letter requested that Source Specific Operating Agreement (SSOA) No. S097-22825-00584, issued on July 31, 2006 for a stationary ready-mix concrete batch plant, located at 2705 East Washington Street, Indianapolis, IN 46201, be revoked. The reason for this revocation request is that the source was never constructed. This was verified by an inspection conducted by the Office of Environmental Services (OES) on April 11, 2007.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the SSOA is no longer required.

The Source Specific Operating Agreement (SSOA), number S097-22825-00584, issued on July 31, 2006, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Jeffrey Hege of my staff at jhege@indygov.org or by phone at (317) 327-2234.

Sincerely,
