Dear Mr. Moline:

Approval is hereby granted to operate the portable sand & gravel crushing operation, described in Source Specific Operation Agreement No. S097-18456-05249 issued on February 19, 2004. This source is to be located at 2525 Western Ave., Plymouth, Indiana 46563, in Marshall County. This plant was previously located at 260 East and 300 North, Angola, Indiana, in Steuben County, and the site approval No. L151-24183-05249 was issued on January 29, 2007.

Relocation of this plant must take place within 120 days after the issuance of this decision. The enclosed Notice of Decision explains your options to challenge this decision under IC 4-21.5-3-5(f). Pursuant to IC 4-21.5-3-5(f), this approval is not effective until eighteen (18) days from the date of this letter. This approval supersedes all previous site approval letters.

Advance written notice to the Office of Air Quality (OAQ), Air Compliance Section, of start-up is required in order for the OAQ to perform an inspection. If the plant is not operating in compliance with all applicable regulations upon inspection, the plant must cease operation upon notification to you by OAQ staff of such non-compliance. Operations may only resume once remedial actions have been taken and approved by the OAQ.

If you have any questions concerning this relocation site approval, please contact Renee Traivaranon of my staff at 317-233-2637 or at 1-800-451-6027, ext 3-2637.
