Revocation of MSOP
MSOP 097-11702-00370

Dear Mr. Wagner:

The letter from Production Plating Co., Inc., received on August 22, 2007, has been reviewed. This letter requested that MSOP No. 097-11702-00370, issued for a stationary decorative chrome plating plant, located at 2221 Yandes Street, Indianapolis, IN 46221, be revoked. The reason for this revocation request is that the facility is no longer in operation as of September 7, 2007. This was verified by an Office of Environmental Services (OES) inspector on September 13, 2007.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgement of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the MSOP is no longer required.

The MSOP 097-11702-00370, issued on October 20, 2000, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Monica Doyle at (317) 327-2846 or call (317) 327-2234.

Sincerely,
