Re: 163-25222-00888
Revocation of PBR No. 163-15481-00888

Dear Mr. Golini:

On March 6, 2002, Brake Supply Company, Inc. was approved to operate under the Permit By Rule provisions (PBR No. 163-15481-00888) for a stationary surface coating and abrasive cleaning operation, located at 1300 West Lloyd Expressway, Evansville, Indiana 47703. On June 25, 2007, Brake Supply Company, Inc. notified IDEM that they were relocating to a new facility located at 5501 Foundation Boulevard, Evansville, Indiana 47725. Additionally, the source submitted an application requesting a Source Specific Operating Agreement (SSOA) for the new facility. Accordingly, Brake Supply Company, Inc., has been issued a SSOA No. 163-24959-00184 that supersedes PBR No. 163-15481-00888.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is now operating under a Source Specific Operating Agreement, the Permit by Rule No. 163-15481-00888 is now superseded and is no longer needed.

The PBR No. 163-15481-00888 approved on March 6, 2002, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact Brian Williams, at 317-234-5375 or at 1-800-451-6027 (ext 45375).

Sincerely,
