of FESOP No. 097-13944-00143
and subsequent revisions 097-17125-00143
and 097-19294-00143.

Dear Ms. Korb:

The letter received from August Mack Environmental on behalf of Cenveo Inc., formerly GAC Indianapolis, Sheetfed Division, (herein referred to as "source") on December 21, 2007, for the site located at 7301 North Woodland Drive, Indianapolis, Indiana 46278, has been reviewed. The source requested that the FESOP 097-13944-00143, issued on September 25, 2002, be revoked. The reason for this revocation request is that the source has ceased operations as of October 12, 2007, and subsequently all associated equipment has been disconnected and removed from the facility. Therefore, the source is no longer required to have a FESOP.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Administrator may be revoked for any cause that establishes in the judgment of the Administrator the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the FESOP 097-13944-00143 and subsequent modifications numbered 097-17125-00143 and 097-19294-00143, are no longer required and are hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

If there are any questions about this revocation, please contact the Indianapolis OES, Air Permits (317) 327-2234.

Sincerely,
