Re: Response to Review Request No.163-25771-00003
Permit status evaluation
Plant ID: 163-00003

Dear Ms. Strbik:

Silgan Closures, LLC, located at 2201 W. Maryland Street, Evansville, Indiana 47712, was issued a Part 70 Permit Renewal No. 163-17602-00003 on November 13, 2006 for operation of a stationary metal closures fabrication plant. On December 21, 2007, the source notified OAQ that it was replacing a space heater located in the coating/ink storage room. The space heater being replaced is identified as a Modine, Model Number BA400A, serial number: 03121031178, with an input of 400,000 BTU/hr using natural gas. The old space heater is being replaced with a new space heater identified as a Modine, Model Number BDP400AE0930, serial number: 15101010507-7008, with an input of 400,000 BTU/hr using natural gas.

There have been no changes in rule applicability in the change of the two (2) space heaters.

Pursuant to the provisions of 326 IAC 2-7-11(a)(7), no revision to the permit was necessary to accommodate the change of space heaters. All conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Nathan C. Bell, 100 North Senate Avenue, MC 61-53 IGCN 1003, Indianapolis, Indiana, 46204-2251, at 317-233-5334 or at 1-800-451-6027 (ext 3-5334).

Sincerely,
