Re: **089-26352-00169**  
Revocation of Part 70 Operating Permit  
No. 089-7171-00169

Dear Mr. Reimann:

On July 19, 2006, Gary Coal Processing, LP was issued a Part 70 Operating Permit No. 089-7171-00169 for a stationary coal processing plant, located at One North Broadway that was considered to be collocated with U.S. Steel - Gary Works. On March 11, 2008, U.S. Steel - Gary Works submitted an application to take over operation of Gary Coal Processing, LP. Accordingly, U.S. Steel - Gary Works, has been issued Administrative Amendment No. 089-26246-00121 that supersedes the Gary Coal Processing, LP Part 70 Operating Permit No. 089-7171-00169.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source has been issued Administrative Amendment No. 089-26246-00121, the Gary Coal Processing, LP Part 70 Operating Permit No. 089-7171-00169 is now superseded and is no longer needed.

The Gary Coal Processing, LP Part 70 Operating Permit No. 089-7171-00169 issued on July 19, 2006, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of this letter.

A copy of the permit is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: [www.idem.in.gov](http://www.idem.in.gov)

If there are any questions about this revocation, please contact John Haney, at 317-234-5328 or at 1-800-451-6027 (ext 4-5328).
