Re: 141-27403-00125  
Revocation of FESOP No. F141-23556-00125

Dear Linda J. Denison:

On December 26, 2007, Ashland, Inc. was issued a FESOP Renewal No. F141-23556-00125 for a stationary chemical and solvent storage and distribution source, located at 1817 W. Indiana Ave., South Bend, Indiana 46613. On January 23, 2009, Ashland, Inc. submitted an application to cease the operation of the chemical and solvent storage and distribution operation listed in the FESOP Renewal F141-23556-00125 and to continue to operate a soil and groundwater remediation system. Accordingly, Ashland, Inc., has been issued an Exemption No. 141-27460-00125 that supersedes FESOP Renewal No. F141-23556-00125.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source has been issued an Exemption, the FESOP F141-23556-00125 is now superseded and is no longer needed.

The FESOP No. F141-23556-00125 issued on December 26, 2007, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

A copy of the permit is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: [www.idem.in.gov](http://www.idem.in.gov)

If there are any questions about this revocation, please contact Anne-Marie C. Hart, at 317-234-5174 or at 1-800-451-6027 (ext 4-5174).

Sincerely,
