Re: 041-27440-00004
Revocation of
Part 70 Operating Permit Renewal
No. T 041-17640-00004

Dear Mr. Zack:

Visteon Systems, LLC was issued Part 70 Operating Permit Renewal No. T 041-17640-00004 on August 12, 2004 for a stationary automotive parts manufacturing plant, located at 4747 Western Avenue, Connersville, IN 47331. On February 2, 2009, the Office of Air Quality (OAQ) received a letter from the source requesting that the Part 70 Operating Permit be revoked, since all emission units have been removed from the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the Part 70 Operating Permit is no longer required.

Part 70 Operating Permit Renewal No. T 041-17640-00004, issued on August 12, 2004, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of this letter.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov.
