Re: 167-27520-00149
Revocation of Exemption No.167-26807-00149

Dear Carla Pittorino:

Fresenius Medical Care – North America (FMC-NA) Site #4235 Terre Haute was issued an Exemption No. 167-26807-00149 on August 15, 2008, for a stationary kidney dialysis facility located at 615 8th Avenue, Terre Haute, Indiana 47804. On February 23, 2009, the Office of Air Quality (OAQ) received a letter from the source requesting that the Exemption be revoked, since the generator will not be installed at the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the generator will not be installed at the source, the Exemption is no longer required.

The Exemption No. 167-27520-00149 issued on August 15, 2008, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Pam K. Way at 317-234-4794 or at 1-800-451-6027 (ext 4-4794).

Sincerely,

Matthew Stuckey, Chief
