Mr. Dan Berryman, Plant Manager
Altec Industries, Inc.
5201 West 84th Street
Indianapolis, IN 46268

April 6, 2009

Re: 097-27708-00256
First Notice-Only Change to
M097-21439-00256

Dear Mr. Berryman:

Altec Industries, Inc. was issued a Minor Source Operating Permit (MSOP) No. M097-21439-00256 on July 11, 2006 for stationary metal utility truck painting operation located at 5201 West 84th Street, Indianapolis, Indiana. On April 1, 2009, the Office of Air Quality (OAQ) received an application from the source requesting that the permit be revised to remove all requirements related to local air pollution control agencies. Local agencies no longer have effective authority to implement state and federal requirements for IDEM. Therefore, IDEM has removed all references to local agencies from the permit. IDEM has determined that this change to the permit will be processed as a notice-only change pursuant to 326 IAC 2-6.1-6(d).

The revised permit specifies that all reports, notices, applications, and any other required submittals shall be submitted to IDEM. The Permittee should note that the local agency could have its own requirements beyond the state and federal requirements contained in the permit. Please contact the local agency for further information.

Pursuant to the provisions of 326 IAC 2-6.1-6, the permit is hereby revised as follows with the deleted language as strikeouts and new language **bolded**.

1. All references to local agencies have been removed from the permit.
2. The following conditions have been revised to clarify the requirements of the permit.
