Re: 081-28332-00058
Revocation of FESOP No. F081-23193-00058

Dear Mr. Aelick:

Stock Building Supply Company was issued FESOP No. F081-23193-00058 on February 5, 2008 for a stationary woodworking plant that manufactures trusses, panels, window and door frames, located at 2801 North Morton Street, Franklin, Indiana 46131. On August 6, 2009, the Office of Air Quality (OAQ) received a letter from the Permittee requesting that the FESOP be revoked since all emission units have been removed from the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked for any cause that establishes in the judgment of the Commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the FESOP is no longer required.

FESOP No. F081-23193-00058, issued on February 5, 2008, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov.

If there are any questions about this revocation, please contact Meredith Jones, at 317-234-5176 or at 1-800-451-6027 (ext 4-5176).
