Re: 113-28352-00084
Revocation of FESOP No. 113-20355-00084

Dear Mr. Keesling:

Parts Finishing Group-Indiana was issued a FESOP No. 113-20355-00084 on July 8, 2005 for a stationary metal parts coating plant located at 210 South Progress Drive East, Kendallville, Indiana. On August 13, 2009, the Office of Air Quality (OAQ) received an application from the source requesting that the FESOP be revoked. Per source, the company has ceased operation in Indiana.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the FESOP is no longer required.

The FESOP No. 113-20355-00084 issued on July 8, 2005 is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Ms. Renee Traivaranon, at 317-234-5615 or at 1-800-451-6027 (ext 4-5615).

Sincerely,
