Re: 061-28436-05185
First Administrative Amendment to
S061-10458-05185

Dear Brian Peters:

Mulzer Crushed Stone, Inc., was issued a Source Specific Operating Agreement (SSOA) No. S061-10458-05185 on January 19, 1999, for a portable crushed stone operation located at 9610 River Road SW, Mauckport, Indiana 47142. On September 8, 2009, the Office of Air Quality (OAQ) received an application from the source requesting that the permit be revised to remove all requirements related to local air pollution control agencies. Local agencies no longer have effective authority to implement state and federal requirements for IDEM. Therefore, IDEM has removed all references to local agencies from the permit. IDEM has determined that this change to the permit will be processed as an administrative amendment pursuant to 326 IAC 2-9.

The revised permit specifies that all reports, notices, applications, and any other required submittals shall be submitted to IDEM. The Permittee should note that the local agency could have its own requirements beyond the state and federal requirements contained in the permit. Please contact the local agency for further information.

In addition to removing all references to local agencies from the permit, the following conditions have been revised to clarify the requirements of the permit, with the deleted language as ~~strikeouts~~ and new language **bolded**:

Section C: Additional Requirements

- ~~1. That pursuant to 326 IAC 2-6 (Emission Reporting), the Permittee must annually submit an emission statement for the source. This statement must be received by July 1 of each year and must comply with the minimum requirements specified in 326 IAC 2-6-4. The annual statement must be submitted to:~~

~~Indiana Department of Environmental Management
Technical Support and Modeling Section, Office of Air Management
100 North Senate Avenue, P. O. Box 6015
Indianapolis, Indiana 46206-6015~~

~~The annual emission statement covers the twelve (12) consecutive month time period starting January 1 and ending December 31.~~

- ~~2. This permit is approved for operation in all areas of Indiana. A thirty (30) day advance notice of relocation must be given to IDEM, OAQ, and a "Relocation Site Approval" letter must be obtained before relocating.~~
- ~~3. The Permittee shall also notify the applicable local air pollution control agency when relocating to or from one of the following:~~

- ~~(a) — Madison County — (Anderson Office of Management)~~
- ~~(b) — City of Evansville plus four (4) miles beyond the corporate limits but not outside Vanderburgh County — (Evansville EPA)~~
- ~~(c) — City of Gary — (Gary Division of Air Pollution)~~
- ~~(d) — City of Hammond — (Hammond Department of Environmental Management)~~
- ~~(e) — Marion County — (Indianapolis Air Pollution Control Agency)~~
- ~~(f) — St. Joseph County — (St. Joseph County Health Department)~~
- ~~(g) — Vigo County — (Vigo County Air Pollution Department)~~

~~4. That a valid SSOA consists of this document and any subsequent "Relocation Site Approval" letter specifying the current location of the portable plant.~~
