Re: 167-28691-00134  
First Registration Notice-Only Change to  
R167-17945-00134

Dear Mr. Spain:

VP Racing Fuels Inc was issued a Registration No. R167-17945-00134 on December 2, 2003 for a stationary chemical blending operation, located at 4100 Steelton Avenue, Terre Haute, Indiana. On November 23, 2009, the Office of Air Quality (OAQ) received an application from the source requesting that the registration be revised to remove all requirements related to local air pollution control agencies. Local agencies no longer have effective authority to implement state and federal requirements for IDEM. Therefore, IDEM has removed all references to local agencies from the registration. IDEM has determined that this change to the registration will be processed as a notice-only change pursuant to 326 IAC 2-5.5-6.

The revised registration specifies that all reports, notices, applications, and any other required submittals shall be submitted to IDEM. The Permittee should note that the local agency could have its own requirements beyond the state and federal requirements contained in the registration. Please contact the local agency for further information. In addition, several of IDEM's branches and sections have been renamed, therefore, the annual notice should be submitted to Compliance and Enforcement Branch.

All other conditions of the permit shall remain unchanged and in effect. The source shall continue to operate according to 326 IAC 2-5.5. Please find enclosed the updated registration. A copy of the registration is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: [www.idem.in.gov](http://www.idem.in.gov)

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Ms. Renee Traivaranon, at (800) 451-6027, extension 4-5615, or dial (317) 234-5615.

Sincerely,

Iryn Calilung, Section Chief
