Re: 159-28696-00008
Revocation of Title V Permit No.:159-26326-00008

Dear Mr. Huddleston:

Wabash Alloys, L.L.C. was issued a Title V Renewal, No. 159-26326-00008, on January 2, 2009 for a stationary secondary aluminum production source utilizing scrap aluminum located at 841 South 550 West, Tipton, IN. On November 30, 2009, the Office of Air Quality (OAQ) received a letter from the source requesting that Title V Permit No.:159-26326-00008 be revoked because the source has ceased operation.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the Commissioner may be revoked for any cause that establishes in the judgment of the Commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source has ceased operation, the Title V Operating Permit is no longer required. Therefore, Title V Permit No.:159-26326-00008, issued on January 2, 2009, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation is effective eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Deborah Cole at 317-234-5300 or at 1-800-451-6027 (ext 4-5300) or dcole@idem.in.gov.

Sincerely,
