Re: Review Request No. 169-29014-00010

Dear Mr. Huddleston:

Wabash Alloys, L.L.C. was issued a Part 70 Operating Permit on December 22, 2006, for a stationary secondary aluminum production source utilizing scrap aluminum.

On October 20, 2008, the source was issued a Significant Source Modification No. 169-26212-00010, for construction and operation of a new rotary furnace and modification of the dross mill building process. On February 23, 2010, the source notified OAQ that construction had not begun for the new rotary furnace and modification of the dross mill building process and requested that the commencement of construction time period for these units be extended to April 20, 2012.

There have been no changes in rule applicability in the interim, and there are no pending permits that will consume PSD increment for the local area. Pursuant to 326 IAC 2-1.1-9 and 326 IAC 2-7-10.5(i), the Commissioner may revoke a construction approval, if construction is not commenced within 18 months of the original issuance date of that approval or if construction is suspended for a continuous period of one (1) year or more. OAQ will exercise the discretion not to revoke Significant Source Modification No. 169-26212-00010 issued on October 20, 2008.

A letter requesting changes to the Part 70 Operating Permit was received on March 2, 2010, to replace the refractory lining for the #11 Furnace. Pursuant to 326 IAC 2-1.1-3, No preconstruction approval is required in order to begin construction of these emission units.

No revision to the permit was necessary to accommodate these changes. All conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter to the front of the original permit. A copy of the permit is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If you have any questions on this matter, please contact Kimberly Cottrell, OAQ, 100 North Senate Avenue, MC 61-53, Room 1003, Indianapolis, Indiana, 46204-2251, or call at (800) 451-6027, and ask for Kimberly Cottrell or extension (3-0870), or dial (317) 233-0870.

Sincerely,

Tripurari P. Sinha, Ph. D., Section Chief
