Re: 127-29102-00101
Revocation of Exemption No. 127-18335-00101

Dear Mr. Liggett:

Superior Environmental Remediation⁹⁰, Inc. was issued an Exemption No. 127-18335-00101 on February 6, 2004, for a soil vapor extraction and groundwater treatment system, located at 526 West US 30, Valparaiso, Indiana 46385. On March 23, 2010, the Office of Air Quality (OAQ) received a letter from the source requesting that the Exemption be revoked, since all emission units have been removed from the source and is no longer in operation.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the Exemption is no longer required.

The Exemption No. 127-18335-00101 issued on February 6, 2004, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Gary Freeman, at 317-233-5334 or at 1-800-451-6027 (ext 3-5334).
