Re: Emission Credit Request  
Review Request No.: 109-29454-00002  
Plant ID: 109-00002

Dear Mr. Stacy:

On July 15, 2010, General Shale Brick, Inc., located at located at Highway 67, South and CR 1000 North, Mooresville, IN 46158, submitted an application to register emission reductions in the Air Emission Credit Registry for the shutdown of a brick manufacturing line, identified as Line 1, located at Plant No. 20. According to the application, the shutdown occurred on November 6, 2006.

The Operating Permit, T109-16617-00002, was modified on August 19, 2010 through SPM No. 109-29219-00002. Based on the information received on July 15, 2010, the following quantity of emission credits will be listed in the Air Emission Credit Registry:

Summary of Registered Emission Credits				
Pollutant:	Date	Prior Balance of Emission Credits (tons per year)	Quantity of Newly Registered Emission Credits (tons per year)	Emission Credits (tons per year)
Particulate Matter less than 2.5µm (PM <sub>2.5</sub> )	11/06/2006	-	30.22	30.22
Sulfur Dioxide (SO <sub>2</sub> )	11/06/2006	-	294.14	294.14

Mike Stacy will be listed as the contact person regarding the need for emission credits.

The Air Emission Credit Registry, located at [www.emissionscredit.in.gov](http://www.emissionscredit.in.gov), will be updated to reflect registration of these reductions. Any rules or laws that become effective after the date of generation may reduce the amount of credits available for New Source Review emission offsets. Registration of these emission reductions is done to give information to others of the availability of possible emission credits. The registration of emission reductions is advisory only, and not a determination that is binding on IDEM. IDEM makes determinations regarding the use of emission credits in New Source Review permit decisions.

If you have any questions on this matter, please contact Mehul Sura, OAQ, 100 North Senate Avenue, MC 61-53, Room 1003, Indianapolis, Indiana, 46204-2251, or call at (800) 451-6027, and ask for Mehul Sura or extension (3-6868), or dial (317) 233-6868.

Sincerely,

Chrystal Wagner, Section Chief
