Re: 029-29676-00029  
Revocation of Registration No. 029-9801-00029

Dear Mr. Culbertson:

Omni Technologies, Inc. was issued a Registration No. 029-9801-00029 on June 17, 1998, for a natural gas oven for miscellaneous plastic operation, when the source was located at 80 Brown Street, Greendale, Indiana. This source is currently relocated at 779 Rudolph Way, Greendale, IN 47025. On September 13, 2010, the Office of Air Quality (OAQ) received an application from the source requesting that the Registration be revoked, since this oven has never been installed.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since this facility has never been installed, the Registration is not required.

The Registration No. 029-9801-00029 issued on June 17, 1998, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate this facility. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: [www.idem.in.gov](http://www.idem.in.gov)

If there are any questions about this revocation, please contact Ms. Renee Traivaranon, at 317-234-5615 or at 1-800-451-6027 (ext 4-5615).

Sincerely,
