Re: No.137-29762-00007
Revocation of Minor Source Operating Permit
No. M137-21037-00007

Dear Andrea Wilson:

Diageo PLC was issued a Minor Source Operating Permit No. M137-21037-00007 on March 6, 2006, for a stationary warehouse for whiskey aging, located at Highway 350 West, Milan, Indiana 47031. On October 6, 2010, the Office of Air Quality (OAQ) received a letter from the source requesting that the permit be revoked, since all emission units have been removed from the source

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the Minor Source Operating Permit is no longer required.

The Minor Source Operating Permit No. M137-21037-00007, issued on March 6, 2006, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Pam K. Way at 317-234-4794 or at 1-800-451-6027 (ext 4-4794).

Sincerely,
