Re: Response to Review Request No. 055-30031-00008
Permit status evaluation

Dear Mr. Irvin:

Griffin Industries, Inc. was issued a Part 70 Operating Permit Renewal No. T055-20227-00008 on July 15, 2008, for a stationary animal and agricultural byproducts rendering operation located at CR 400 West, Route 1 Box 112, Newberry, IN 47449. On December 20, 2010, the Office of Air Quality (OAQ) received an application from the source requesting a determination of the appropriate permit action required for the recent merger between Griffin Industries, Inc. and Darling International, Inc. Griffin Industries will operate as a wholly-owned separate and distinct subsidiary of its parent Darling International, Inc. and no change to the company name has been requested. Griffin Industries will continue to operate with its current in-place executive management structure, with total responsibility and accountability for compliance with all Federal, State and Local environmental rules, and resulting permitting.

No revision to the permit is necessary to reflect the merger between Griffin Industries, Inc. and Darling International, Inc. All conditions of the permit shall remain unchanged and in effect. Please attach a copy of this letter to the front of the original permit.

If you have any questions on this matter, please contact Dennis Vendt, of my staff, at 317-234-5300 or 1-800-451-6027, and ask for extension 4-5300.

Sincerely,
