Re: 019-30052-00071  
Revocation of Part 70 Operating Permit No. 019-17658-00071

Dear Mr. Sapp:

Koetter Woodworking, Inc. was issued Part 70 Operating Permit Renewal No. 019-17568-00071 on October 16, 2006, for a stationary wood venetian blind production and coating facility and door production operation, located at 259 America Place, Jeffersonville, Indiana. On December 28, 2010, the Office of Air Quality (OAQ) received a letter from the source requesting that the Part 70 Operating Permit be revoked, since all emission units have been removed from the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, and all emission units have been removed from the site, a Part 70 Operating Permit is no longer required.

Part 70 Operating Permit No. 019-17568-00071, issued on October 16, 2006, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective, the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation cannot be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: [www.idem.in.gov](http://www.idem.in.gov).

If there are any questions about this revocation, please contact Roger Osburn, at 317-233-0242 or at 1-800-451-6027 (ext 3-0242).

Sincerely,
