Re: Interim Significant Permit Revision Petition Approval
167-303911-00140

Dear Ms. Mesaeh

On May 23, 2011, the Office of Air Quality (OAQ) received an interim Significant Permit Revision petition from CertainTeed FCP No. 3, located at 1001 West Industrial Drive, in Terre Haute, Indiana for construction of the following control devices:

- (a) Two (2) new baghouses, identified as CD-10 and CD-11, to control PM and PM10 emissions from existing silo RT103, with emissions exhausting through Stacks 22 and 23.
- (b) Two (2) new baghouses, identified as CD-12 and CD-13, to control PM and PM10 emissions from existing Bins C and D, respectively, with emissions exhausting through Stacks 24 and 25.

A public notice of the interim Significant Permit Revision petition was published in the *Tribune Star* on May 14, 2011. The public comment period ended on May 27, 2011.

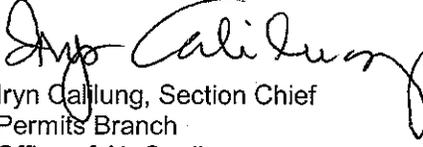

Since there are no comments received during the public comment period, pursuant to 326 IAC 2-13-1(i), the interim Significant Permit Revision petition is in effect on June 10, 2011 and expires on the effective date of the final Significant Permit Revision permit.

The interim Significant Permit Revision petition may be revoked after its effective date upon a written finding by the Indiana Department of Environmental Management (IDEM) that any of the reasons for denial in 326 IAC 2-13-1(h) exist or if the final Significant Permit Revision permit is denied. The IDEM has reviewed this interim Significant Permit Revision petition and has not found any such reason. The facilities specified in the interim Significant Permit Revision petition may not operate until the final Significant Permit Revision permit is issued by OAQ.

The interim Significant Permit Revision petition is federally enforceable. Detailed construction and operation conditions will be specified in the final Significant Permit Revision permit 167-30603-00140.

If you have any questions regarding this interim Significant Permit Revision petition, please contact (permit reviewer), OAQ, 100 North Senate Avenue, MC 61-53, Room 1003, Indianapolis, Indiana, 46204-2251, or call at (800) 451-6027, and ask for Sarah Conner, Ph. D. or extension 4-6555, or dial (317) 234-6555.
