Re: 167-30458-00036
Revocation of Title V Operating Permit Renewal No.
167-17590-00036

Dear Mr. Stark,

Tangent Rail Products, Inc. was issued a Part 70 Permit No. T167-17590-00036 on December 31, 2007, for a stationary treated wood manufacturing plant, located at 2525 Prairieton Road, Terre Haute, Indiana. On April 18, 2011, the Office of Air Quality (OAQ) received a letter from the source requesting that the Title V Operating Permit be revoked, since all emission units have been decommissioned or removed from the source and the property has been sold.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the Title V Operating Permit Renewal is no longer required.

The Title V Operating Permit Renewal No. T167-17590-00036 issued on December 31, 2007, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective eighteen (18) days from the date of this letter.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Angela Taylor, at 317-234-6543 or at 1-800-451-6027 (ext 4-6543).

Sincerely,
