Re: 039-30712-00086
Administrative Amendment to:
Part 70 Permit (1st Renewal) No.: T039-17988-00086

Dear Mr. Miller:

Carpenter Company was issued Part 70 operating permit (1st renewal) T039-17988-00086 on February 28, 2008 for a stationary polyurethane foam production source. A letter requesting an administrative amendment to the permit was received on July 15, 2011. The Permittee requested approval for the operation of a two-part painting system for routine building and equipment maintenance, with emissions of regulated pollutants that would not be associated with any production process. Pursuant to 326 IAC 2-7-11(a)(8)(B), an administrative amendment is appropriate for a change that incorporates an insignificant activity as defined in 326 IAC 2-7-1(21). Pursuant to 326 IAC 2-7-1(21)(K)(xvii), an insignificant activity includes "routine maintenance and repair of buildings, structures, or vehicles at the source where air emissions from those activities would not be associated with any production process". Based on the above, an administrative amendment is hereby granted.

No changes were necessary to the Part 70 permit T039-17988-00086 as a result of this administrative amendment. All conditions of the permit shall remain unchanged and in effect.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Madhurima Moulik at (800) 451-6027, ask for Madhurima Moulik or extension 3-0868, or dial (317) 233-0868.
