Re: 029-31428-00022
Revocation of FESOP No. 029-15387-00022

Dear Ms. Jamieson:

Unimin Corporation - Aurora Facility was issued a Federally Enforceable State Operating Permit (FESOP) No. 029-15387-00022 on October 9, 2007 for a stationary olivine processing facility, located at 137 Franklin Street, Aurora, Indiana 47001. On January 31, 2012, the Office of Air Quality (OAQ) received a letter from the source requesting that the FESOP be revoked since the source has ceased operation and all emission units have been removed from the source.

Pursuant to 326 IAC 2-1.1-9, any permit to construct or operate or any permit revision approval granted by the commissioner may be revoked for any cause that establishes in the judgment of the commissioner the fact that continuance of the permit or permit revision approval is not consistent with the purposes of 326 IAC 2. Since the source is no longer in operation, the FESOP is no longer required.

The FESOP No. 029-15387-00022 issued on October 9, 2007, is hereby revoked. Pursuant to IC 4-21.5-3-5(a) and (b), this revocation letter is effective in eighteen (18) days from the date of this letter.

Please be advised that once this revocation is effective the source will no longer have approval to operate any emission units at this source. In addition, if there is a need in the future to operate any units at this source, construction and operation approval will be necessary pursuant to Indiana's New Source Review regulations. Once effective, this revocation can not be withdrawn or rescinded.

A copy of the revocation is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>. For additional information about air permits and how the public and interested parties can participate, refer to the IDEM's Guide for Citizen Participation and Permit Guide on the Internet at: www.idem.in.gov

If there are any questions about this revocation, please contact Deborah Cole, at 317-234-5377 or at 1-800-451-6027, ext 4-5377.

Sincerely,
